Junior Yearly Meeting Oversight Committee Report to SAYMA 2011

Wendy Satterthwaite met with JYM Coordinators Jonathan Schinhofen and Beth Myers after SAYMA 2010 to debrief and discuss ways of making their program even better. One area discussed was how to decrease the stress of the JYM coordinator job without decreasing the quality of the program.

This spring Beth and Jonathan used some of their allotted money to hire Kim Saderholm [Berea Friends Meeting] to lead two time periods during SAYMA, so they could have enough down time to rest and regroup. They and Kim have met this spring to plan program, and their theme is "Building Community Beyond JYM."

At the time of this report, they have 14 children enrolled, with most of last year's participants returning except those who have aged out.
