

What should I bring? Are linens provided?

Bring all bedding from home if possible. WWC can provide a small number of linen packets for those Friends who are unable to bring their own. Linen packets (sheets, blanket, pillow and towel) rent for \$15.

Suggested items to bring:

Sheets Towel Reading Lamp
Soap
Blankets Wash Cloth Swim suit
Rain gear
Pillow Clothes Hangers Cloth napkins

JYM children should bring swim suits, rainwear, and clothes you don't mind getting dirty.

I prefer simpler, quieter meals---the Simple Living Option.

If you are interested in sharing a kitchen and cooking your own dinner on Friday and Saturday evenings, indicate this by writing "SLO" as your dorm choice on the registration form. Participants will be housed in a Ball Field dorm on the west side of campus. You'll need to bring with you plates, utensils, and food---suggestion of 1/2 cup of rice and 1/2 cup of beans per person/per dinner. The first 20 people who register with this request can participate.

Can I camp out?

OK, so how do I get to Warren Wilson College?

Warren Wilson College is located 8 miles east of Asheville, NC. If you are coming from the east or south or west, take Interstate 40. Get off at Exit 55 and follow the signs to the college. If you are coming from the north, you will need to get on I-240 East. That will lead into I-40.

The nearest bus station is in Asheville; the nearest airport is 10 miles south. If you will require bus station or airport pick up, please make this need known as soon as possible under "Special Needs" on the registration form.
