

Report of the SAYMA Web Manager

June 2017

Due to several problems with the sayma.org email forwarding, I have completed the changeover of our internet hosting service from HostGator to Fatcow. This should improve our service. Please let me know of any problems you experience.

SAYMA has had a Facebook presence for the last year. Follow the link on the sayma.org home page to find it, and "like" us. Robyn Josephs (Swannanoa), Roy Taylor (Atlanta) and I have been posting items we think are interesting or useful to SAYMA Friends.

Committee clerks, please let me know if you would like space on sayma.org to help publish news and information on whatever work you are doing.

Meeting clerks and SAYMA Reps: please help me keep your meeting's information current on the sayma.org website.

Comments or questions welcomed.

Charlie Wilton (Berea)
