

SAYMA Sessions and Retreat 2025

Meeting for Worship with Attention to Business

Proposed Agenda YM 2025 (updated 4/2025)

This year at our annual sessions and retreat, the Yearly Meeting Planning Committee in consultation with the presiding clerk is changing our traditional pattern of daily meeting for worship with attention to business during our hybrid gathering. There will still be many opportunities to worship with each other and we will be focused on Nurturing Our Community In Our Broken Worlds.
